*Diane Mummau
Golf Outing*

1st Annual Benefit
Golf Tournament
Thursday, May 3rd, 2018
8:30 Shotgun Start

The 1st Annual Diane Mummau Golf Classic is comprised of insurance claims professionals, family, friends and colleagues of Diane Mummau. Diane is facing the greatest challenge of her life after being diagnosed with ALS, Amyotrophic Lateral Sclerosis ("Lou Gehrig's Disease") a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord.

The golf outing mission is to raise funds to supplement Diane and her family's plight against ALS and the many challenges and medical expenses she's facing in the months and years to come. Please know that your support, in any form, is greatly appreciated. No gift or participation is too small as we endeavor to fight this horrible disease together.

We encourage you to share this invitation with friends and family. There is great strength in numbers.
